Vô Nhoco

HE PLANTED A TREE.

**THE TREE GREW, GAVE FRUIT AND
PROVIDED SHADE.
BUT HUMANS BEINGS
THOUGHT
ITS' WOOD COULD BE
USEFUL TO BUILD
OBJECTS LIKE FURNITURE,
BOXES, HOUSES ETC.**

THE NEXT DAY, THE TREE HAD BEEN KNOCKED DOWN.

**"WHAT NOW"? THEY KNOCKED DOWN THE YOUNGEST TREE OF THIS REGION.
SAID NHOCA.**

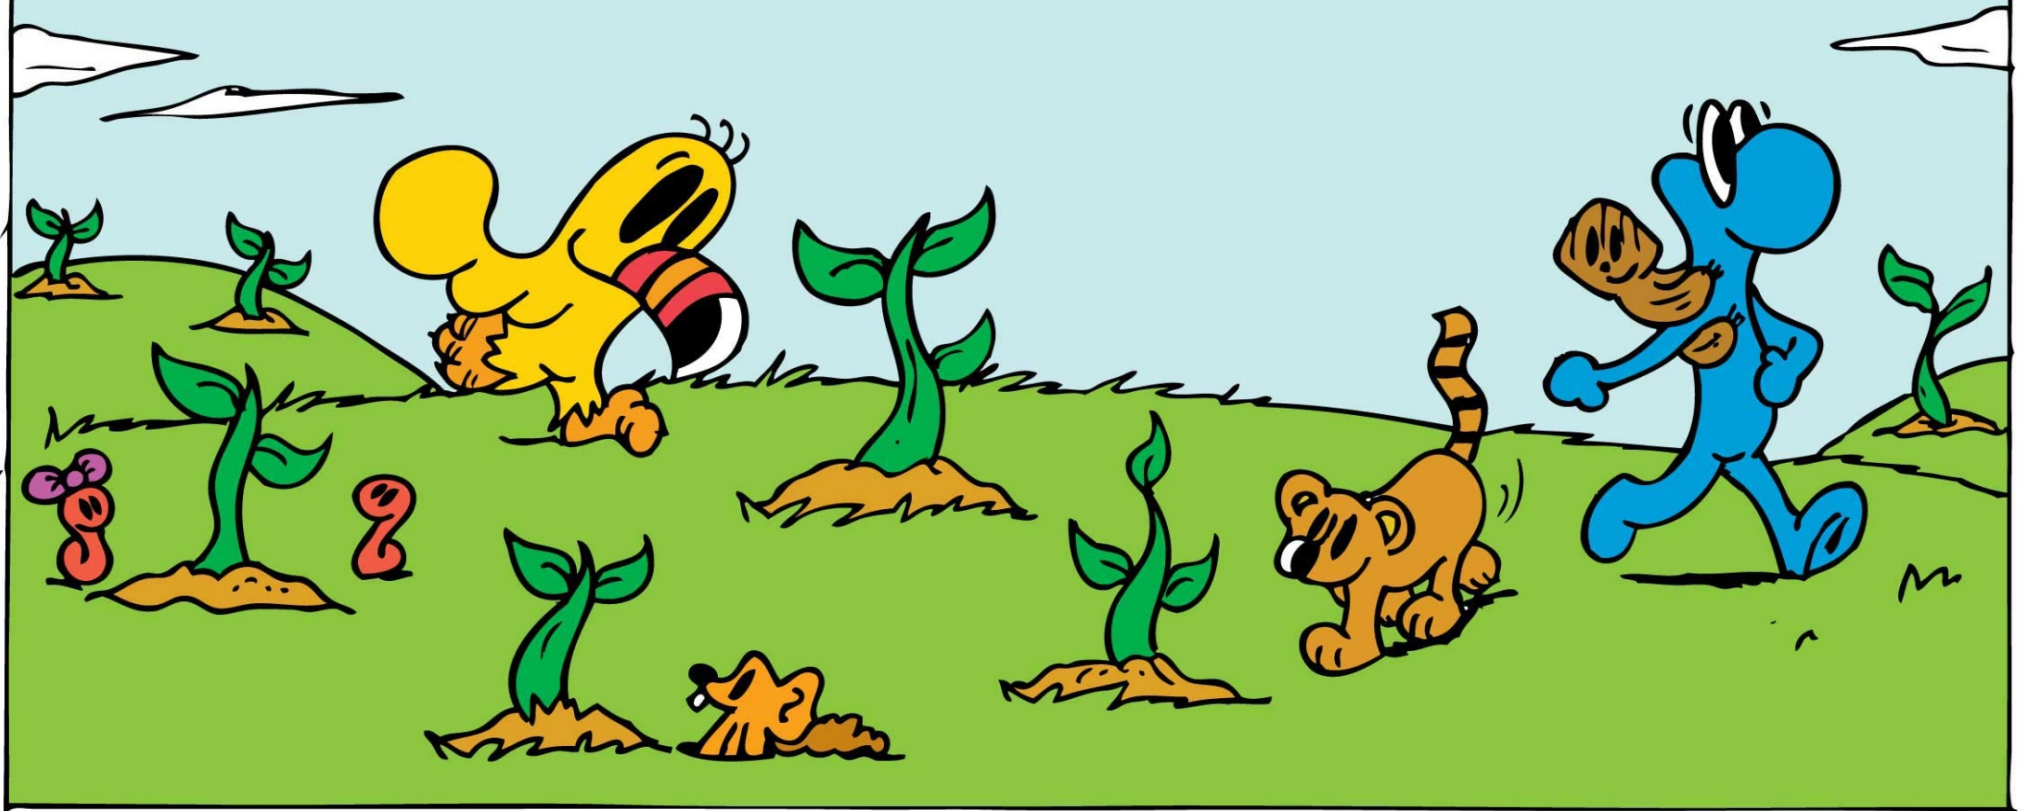

**"I AM SAD, WE CAN'T ALLOW TREES TO BE KNOCKED DOWN",
SAID Oi! The Ecologist toucan.**

"WHAT ARE WE GOING TO DO?", ASKED TAURATUGA.

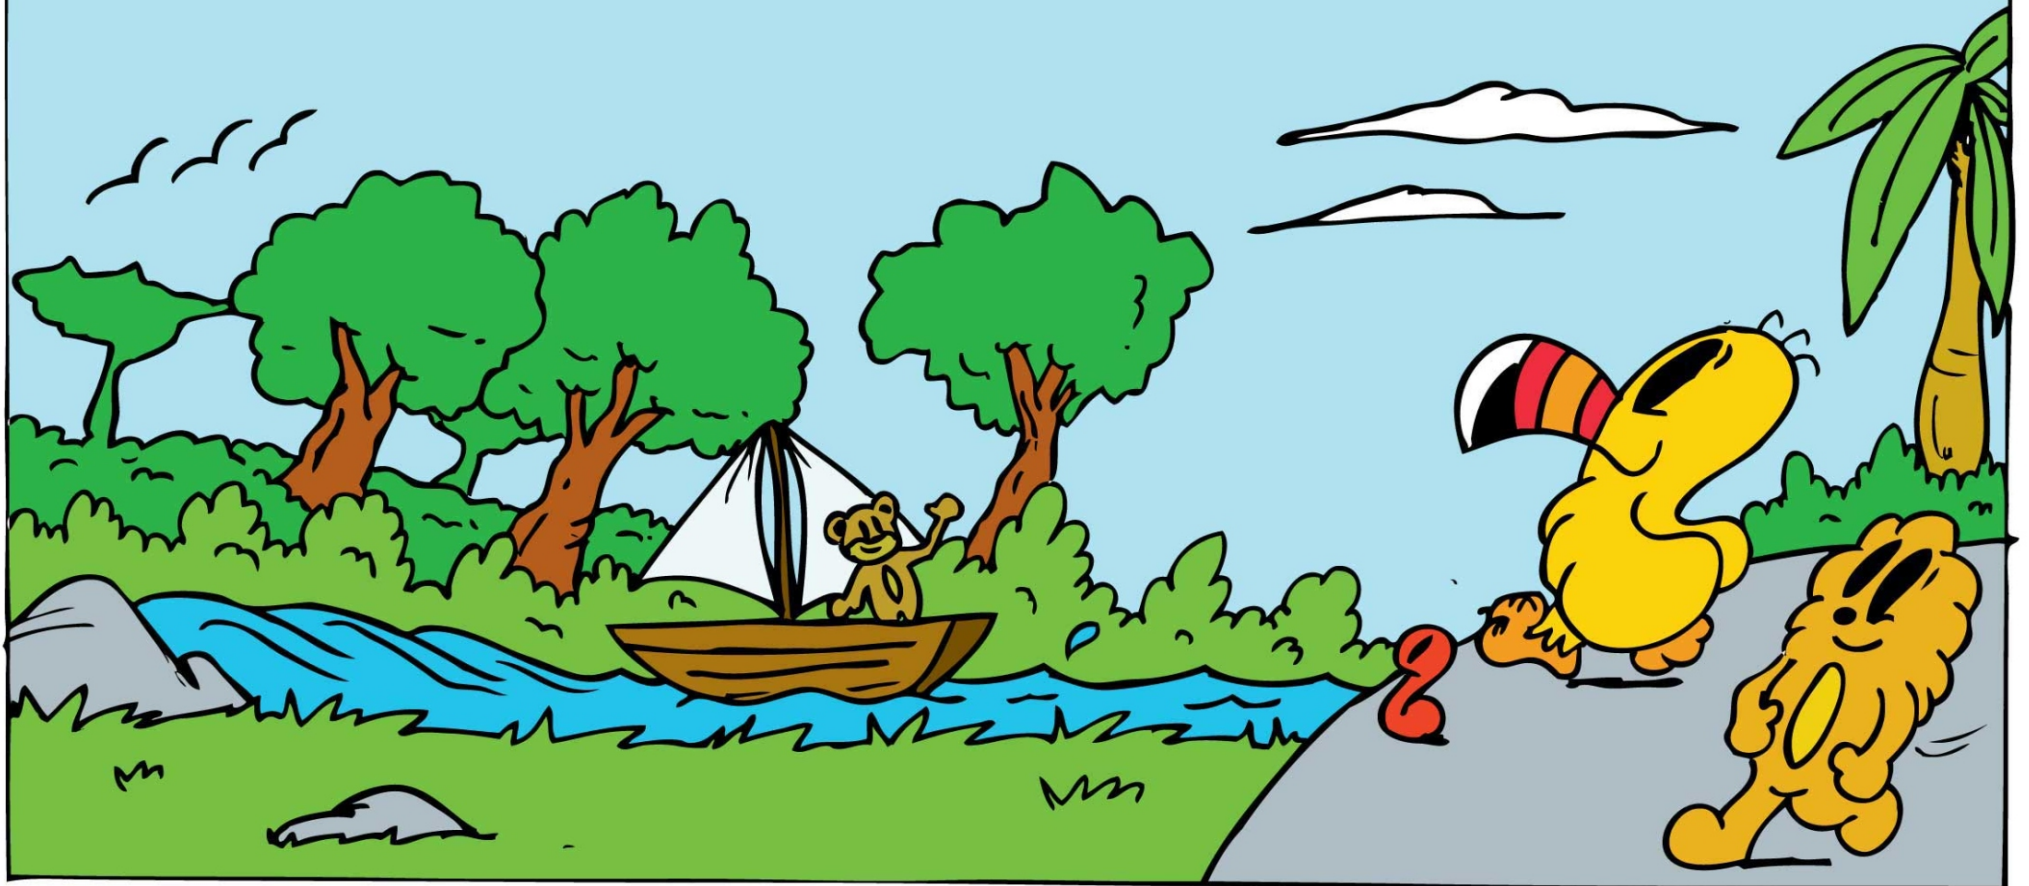

**" WE ARE ALL GOING TO PLANT 1001 TREES,
AND SO WE WILL PLANT A FOREST".
SAID OI! O TUCANO ECOLOGISTA.**

"YEAH!", THE CROWD CHEERED.

**YEARS LATER, ON THE SPOT OF THE KNOCKED DOWN TREE,
THERE IS NOW A FOREST.**

THE END.
